He is completely grounded in the love of family and the creation and maintenance of a vibrant home, marriage and family. He is a fun-loving, hopelessly romantic adventurous gardener, dedicated ballroom and modern ballet dancer, and a loyal friend.

He is completely grounded in a life of service of others, the less fortunate, the homeless.

He maintains close contact with mother earth as farmer and outdoorsman.

He conducts a veritable ministry of food for family, friends and less fortunate.

He has a deep love of his family, their kids and grandchild.

At the heart of all, the essential Anthony, is the 40+ year abiding love for Alison who fills his heart, his soul and his dance card daily still.

We thank Alison and their family for so generously sharing this super man with us all these years. Wishing you all long life and good health, L’Chaim!
